I've been lightly banging the drum the last few years that a lot of programmers don't seem to understand how fast computers are, and often ship code that is just miserably slower than it needs to be, like the code in this article, because they simply don't realize that their code ought to be much, much faster. There's still a lot of very early-2000s ideas of how fast computers are ... Jun 25, 2022 · Politics is sport. So anybody who doesn't think so, I don't agree with them. They could be right; I could be wrong. Sports is politics. Because people ... I don't care what you think of me! Unless you think I'm awesome – in which case, you're right! ... You don't have to care about everything around you. Some things are best to be left ignored. ... 39. If one day you notice that we haven't talked in a while. It's not because I don't care anymore, it's because you pushed me away. Jun 03, 2021 · Believe in yourself and that you can change. If you don't believe that you can change you're not going to try nearly as hard as if you believe success is possible. So, make sure that you're using positive thinking to face your problem. Try to keep in mind that you can change the way you think, that you can improve.
